Welcome to the Summer 2011 swim season! Sylvia's Swimwear is excited to using MyTeams™ for online ordering. We understand this system is new to many of you and have created this form to help answer some of the questions you may have.

Do I have to place my order online?

NO. Suits may be sized and purchased the night of the fitting, or purchased online by the team "order deadline". If you already know your size, early ordering on the website allows us to better plan, potentially avoiding out-of-stock situations.

How do I order online?

Ordering instructions are included in this handout. Reminder, all orders must be placed by the "order deadline" for lowest pricing.

What do I do if I have ordered the wrong size?

Please size your child before ordering. Suit returns and exchanges will be accommodated at the fitting, subject to availability. However, large numbers may congest the fitting, so again we ask members not to place online orders if size is undetermined. Please keep in mind that we cannot guarantee in-stock availability of your team suit at any given time. While our return policy allows 30 days, the later you wait to exchange your suit in the season the greater chance that product may be sold out. Only store credit will be issued for WEB orders returned to retail locations. Visit the Returns section of our website for full return policy.

When will I receive my order?

Subject to availability, non-custom My Teams™ orders, placed up to 48 hours before your team fitting will be available at the cashier for will call.

Where are your retail locations?

Bellevue retail is located at 14100 NE 20th Bellevue, WA 98007 and Northgate is located at 9596 1st Ave NE, Seattle, WA 98115. Operating hours as well as directions from all areas are available at goswim.com.

Who do I contact if I have further questions?

Contact your team representative first. If they can't answer your questions, please call our team office 425-556-9867 or email us at info@goswim.com. Team office hours are M-F from 9am-5pm. Our retail locations may not be able to assist you with some questions and/or transactions.

Thank you for your understanding – we appreciate your business!
